### B'WARE OLD SLEUTH BURNS

Old Sleuth Bill Burns has evolved a new way of making money through his stool pigeon system.

Wishing more worlds for his shadows to conquer he has invaded the hotel field.

Now he has a plan whereby his spy system will be introduced in all large hotels. They will pose as bell-boys, waiters, manicurists, barbers, etc.

But they will be there for a purpose. And the employe who attempts to cheat the owner of the hotel had better beware.
